

LIBERTAD:

Bibi & Arnie,

What a delightful stay in wonderful Libertad!

Comfortably appointed and most enjoyable – our home away from home.

Your guests are a great mix from wonderful lands, with great stories to tell.

Gathering around the pool at dusk was a very special time for sharing the day's experiences! Thank you!

Arne & Bibi,

What a spectacular setting! The view is incredible as the sun is rising, drinking coffee, watching the beautiful birds and the listening to their singing.

Each evening, our group gathered at watch & photograph the sunset from our "penthouse". (I consider this my "Tree House"). The rocking chairs make for a very calming & relaxing time.

We take home tales of grand adventures & lots of photos to share.

Many thanks for providing a lovely and private setting.
